SUMMARY

I am an innovative, critical thinker with a knack for problem solving and a passion for technology and/or engineering. I am constantly seeking new experiences that will challenge me and teach me something in the process. I strive to leave my mark in wherever I find myself.

WORK EXPERIENCE

Teaching and Research Assistant

Department of Petroleum Engineering, Kwame Nkrumah University of Science and Technology

09/2019 – 09/2020

- Assisted students with course work, leading to pass rates of 100% in the respective courses
